

## Queen Anne's Soccer Club

Welcome coaches and assistant coaches to the Fall 2010 Queen Anne's County Soccer Club Season. The Board has agreed to have a national background check done on all coaches and assistant coaches. This will insure the safety and security of our players since the league is responsible for all those that volunteer for us. Below is a release which must be signed and kept on file with the league. Thank you.

### Release and Authorization for Background Check

I hereby authorize Queen Anne's Soccer Club (QASC) and authorized officers of this organization bearing this release to obtain and release any information pertaining to my background in reference to any criminal felony or misdemeanor activities to determine eligibility for volunteering as a youth coach. I hereby fully release and discharge QASC from all claims and damages arising out of or relating to any investigation of my background for the purposes of coaching youth soccer. I hereby acknowledge that I have read and signed the attached notice and acknowledgement regarding a background investigation.
